HONORING

**MOMS OF MEDICAL ADVOCACY & OUTREACH OF AL**

The mission of MAO's Maternity and Infant Services is to minimize the risk of mother-to-child transmission of HIV through medical and social work services. Our beautiful moms and their miraculous babies often have limited financial and social support. For our moms, this lack of support can cause them to feel alone and hopeless during a time that should be filled with excitement and love.

While our moms and their babies must remain anonymous, we want to offer an invitation to shower them with love. Our caring staff have created a gift registry on behalf of the needs of these moms. Our Social Workers continually monitor our moms' needs and will ensure these items are appropriately distributed to these ever appreciative moms.

To purchase items from our wish list, visit a Wal-Mart store or view our gift registry online at [Walmart.com](http://Walmart.com) or [Amazon.com](http://Amazon.com) under the last name "Moms of MAO". Items can be shipped to or dropped off at one of the following MAO locations:

MAO Montgomery  
2900 McGehee Rd

MAO Dothan  
1865-3 Honeysuckle Rd
